

2019-2020 PE and sport premium funding report

Purpose

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money. Ofsted inspections report on how primary schools spend their PE and sport premium funding.

Funding received			
No. of eligible pupils: 238		Total amount received: £18290

Impact of premium use	
What has been the impact on pupils' participation?	<ul style="list-style-type: none"> • Many children have taken part in an extra-curricular club this year, from Year1 to Year 6. • Many children have taken part in School Games events this year.
What has been the impact on pupils' attainment?	<ul style="list-style-type: none"> • Pupils have received high quality sports lessons and have been able to develop their skills in a wider range of sports, taught by a specialist.
How has the premium allowed pupils to develop active lifestyles?	<ul style="list-style-type: none"> • We have been able to run more extra-curricular clubs, for a wider range of the school, allowing children to try a variety of sports.
How will the school sustain the improvements?	<ul style="list-style-type: none"> • Sporting Futures will continue working with the school. They will continue working alongside teachers and teaching assistants to deliver quality PE lessons. • Sporting Futures will offer up to five clubs per week. • Resources and equipment for gymnastics will be updated. • The school will continue to participate in the Darlington school games competitions. • The school will continue to make links with local sports clubs.

How many pupils within a school's Year 6 cohort are meeting the national curriculum requirement to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively
- perform safe self-rescue in different water-based situations.

- Unable to assess and obtain data due to school closures.
